Procedure 03 engaged by Clarissa Kaumau Kamau under bird of prey codename, retranscription by Mitski Khumalo

(May Monde sits in an empty room with lamps on the left and right , no visible exists but a closed door on the celling)

BIRD OF PREY : Hello , how are you feeling ?

May Monde : It seems like the headache will not budge but other than that, I have suffered worse.

BIRD OF PREY : Do you possess any memory of how you got here ?

May Monde : yes, 1918. I have failed my unit and have attempted murder on Sen ().. Akira right ? He..she I don't know, took me in.

BIRD OF PREY : Can you identify yourself ?

May Monde : .. sure. I was lieutenant commander on the HMS Lion for the Royal Navy. My name is….

(May Monde slightly frowns, now hesitant)

May Monde : my name is… (May Monde chuckles) wait.. My name is..

(May Monde put its head in its hands. Distress is showing.)

May Monde : I-I .. cannot remember my name ? (May Monde shows signs of anxiety) My name… why .. why can't I remember it ..?

(May Monde looks up at Clarissa Kaumau () , its eyes wide, it grips it blouse)

May Monde : I- I- I died… I died. I actually died. I remember it. Why.. Why am I still breathing ? What have you done ?

Bird of prey : the procedure you have signed has been a success, today is our third procedure.

May Monde : a success !? I cannot remember my god forsaken name ! How is that a success ? A- and my skin…. It..i-it feels off.. I feel odd like there is something underneath it.

(May Monde pulls its skin and it rips, May Monde gasps and falls off its chair.)

May Monde : what is happening !? Wh-what is going on with me !?

(Bird of prey gets up from her chair to tranquilize May Monde before it rips it skin as it starts to scratch its Fail of procedure 03, May Monde has failed the association test. New analyses need to be made.
