After the arrest of Jack Milton for suspicion of collaboration, he is interrogated by Mariano Ahmadzai who decides to question him in his own manners (behaviour reported to Colette Johnson).

the conversation : Mireille Burnl

Mariano Ahmadzai : Do you often participate in incestious relationships ? Is this something you find pleasure in ?

Mariano Ahmadzai : Did you like to have sex with your father ? Reports said you have asked for it on multiple occasions after he returned from his trips because you …(he looks at his file)..”missed him “ , aw.

Mariano Ahmadzai : So you decided to keep doing it with a parental figure ? Is it why you assaulted Feye Emmett ?

(No answers , Jack Milton simply smiles and stares at Mariano Ahmadzai, slowly blinks)

Mariano Ahmadzai : Did you grab his belt , take hold of his penis , because you saw him as your father ? Or is it simply because you practice sodomy on your closest friends ?

(No answers)

Mariano Ahmadzai goes on the other side of the glass where Feye Emmett is , who is distressed.

Feye Emmett : What the hell?? I agreed to testify it as sexual assault because you promised me we could get him under custody in prison.. and get his re-education in-

Mariano Ahmadzai : And we will, just let me do my thing. I know what I'm doing , Feye. I know who I'm dealing with.

(Feye Emmett looks at Jack Milton through the glass and he is already looking at him.Mariano Ahmadzai observes Feye.)

Mariano Ahmadzai: This is not the one we knew.

Feye Emmett : Shut up.

Silence fills the room.

(Mariano Ahmadzai returns to the interrogation room and leaves letters Jack Milton wrote to Julia on the desk. Jack Milton doesn't even look at it.)

Mariano Ahmadzai: It's your handwriting here right ?

(..)

Mariano Ahmadzai: Here you write some kind of roleplay where your fiancee is youuuur.. father. Why not mother ? Is it because she has not touched you sexually? You beat your fiancee and make her roleplay some sick sexual fantasy ?

(Jack Milton looks at Mariano Ahmadzai and smiles softly)

Mariano Ahmadzai: im guessing youre still for incestious pedophilia , since you have not taken the defense of the young Smith against his father.

Mariano Ahmadzai: Which is weird because what victim would defend the abuser in such a case ?

(Mariano Ahmadzai slides old photographs of Jack Milton on the lion hp in 1917 , where he is seen participating in sodomy with vincent truperd and harrison colings)

(Jack Milton looks at Mariano Ahmadzai and smiles softly and chuckles)

Jack Milton : Write anything you want on your report.

(Mariano Ahmadzai is slightly startled that Jack Milton finally talked. Before he can let a word out a woman enters the room)

“Annie Muller , I am Jake Milton’s lawyer. Please get away from him. “

(Jack Milton slowly gets up and joins Annie Muller then looks at Mariano Ahmadzai)

Jack Milton : It was nice seeing you again , old friend .

Annie Muller escorts Jack Milton out.
