See case RC 211, since the disappearance of Inala Dariana on August 10th 2022, the U.A.O unit has worked closely with the Velvet Club and attempted to shed light into the mysterious disappearance.

August 22 2022

With the case of human trafficking within the Velvet Club that is the main course we have with Inala Dariana disappearance. The lead we hold brings us to Rangoon in Burma.

August 27 2022

The trafficking routes lead us to model trafficking in Xi'an, China.

September 02 2022

Start of Case RC 235, liaison with the Fashion industry continental established, local government authorities have taken contact with Hungan Tari Ebi .

September 05 2022

A U.A.O unit has been dispatched to the field for further investigation. It is no surprise , it has already been established for decades that the fashion industry continental is financed by mafia organisations around its perimeter.

By immediate proof of Leviante Esposito being married to Zamaradi Jabulani , a business marriage to link the routes of north Europe to China.

And the managers of the continental , Kenshin Ao, Seiji Vinh, Jie Yan being immediate leaders of the Mongoose office, a mafioso organisation located in Sapporo, Japan.

September 11 2022

Our insider Chloe Macaraeg , who has been close with the Mongoose Office, has reopened the case for the u.a.o unit. No resistance from the mongoose office was made, as those organisations are better standing and under our watch than the office to collapse and be separated in its different orders.

September 12-15 2022

With the transfer of the u.a.o unit to the direct fashion industry continental offices, access is made from the inside.

September 16 2022

Direct resistance to council activities and participation by the u.a.o unit are made by Leviante Esposito. When questioned , he refuses to voice his reasons and only talks by his insider , Temuulen Otgonbayar .

September 18 2022

The u.a.o unit has decided to go against Leviante Esposito, living a bitter relationship that he swore he won't forget. In the meantime, the u.a.o got a public permit inside the fashion industry continental.

September 20 2022

Investigation of backdoors of fashion industry continentals on the lead of human trafficking, leads come directly to locals. Milica Petrović Was arrested as the u.a.o found her directly delivering young adult males and females to the north east section. They

September 23 2022

The models of the south section of the agency were confirmed to be from human trafficking passing by the coral sea to the Philippine sea and arriving at Qingdao.

September 25 2022

After treating the victims , it was analysed that some kind of substance was found in their body , it matches with no drug or known substance used on trafficked humans, it seems to be an herbal mix. More analysis must be made on the subject.

September 26-30 2022

Open investigation on the other sections happening in the fashion industry continental. During those investigations, a leak of information is published and the fashion industry continental takes a press scandal , activists and fashion protests gather around the continental. Zamaradi Jabulani decides to turn the attention by organizing a runway on the banquet floor of the fashion industry continental. The entrance is allowed for all yet some places , nearest to the runaway, are reserved by rich elites.

October 03 2022

During the tensions ongoing with case RC 235 , the Fashion industry continental has been less cautious and has been sending direct requests for weapons to their supposed enemy, the Cinema Continental. Actions were taken by Zamaradi Jabulani during 3 recorded calls we intercepted

All contacts were cut shortly after this event, a mole of some kind or they understood they were being listened to. Zamaradi Jabulani missed 2 events during this period of time : Nocturnal Gala And Arts and Display 34th edition.

October 05 2022
The entire south and north section of the fashion industry continental has been shut down , the assistants Mika and Camille Croute have threatened our on field u.a.o unit to stop its

actions or higher services will be. Note that they must be clueless about the hierarchy of orders so they must not be in any charge of trafficking.

October 07 2022

Seiji Vinh from the mongoose office has given us a classified file from the head of the continental, zhongshu Huang who initially refused to participate in the investigation and is under government protection.

A file about the substance found in the trafficked models , called “spring essence” dating from around 265-316 , extracted from an extinct tree native to old Hohhot. The extraction of its sap was practiced for mostly healing rites.

Where does the fashion industry continental get this substance will be investigated.

October 10 2022

Investigation on the substance leads to the cocktail bar and stock that has denied the u.a.o unit. A complaint has been filed by Zamaradi Jabulani, the access to alimentary stock is protected and refused by the continental council.

October 12 2022

The u.a.o unit has investigated the coasts of the yellow sea in Yantai and Zhanjiang in another team. They are guarding as spots , and will be keeping a track on the next arrival of trafficked humans noted in the files found in the north and south section.

October 12-13-14-15 2022

Interception of 2 boats on each coasts, arrest of Min-jun Kim , Haruto Sato and Mei Chen, Linh Nguyen rider of both boats. 5 victims on each boat going from 19-25 males and females.

After interrogation, from the Yantai it seemed like their boats came from Portland and from Zhanjiang from Darwin Zeku

Min-jun Kim and Haruto Sato (Portland) Have revealed to work for the old and destroyed continental of Russia , The Blue House and admitted to work for the union of south and north between north American and south American continentals. They said they work for Raimunda Luzia who is affiliated with the Hyenas.

While Mei Chen and Linh Nguyen in Zhanjiang have not cooperated and refused to give any information. Their profiles are protected under government protection. The ILE will be arresting them

October 20 2022

A team of LLE has been deployed in Portland while the u.a.o has entered the organisation of the runway under the watch of the council.

October 24 2022

Members of the council Laxmi Devi Thapa and Som Phon Bunmi have been killed by Mei Chen and Linh Nguyen in Zhanjiang during a night reunion.The criminals have executed the old team that was watching them and then they have infiltrated the reunion of the council. The criminals have then killed themself as they set fire to the backdoor file section.

Zhongshu Huang himself has decided to not want the public and ask for discretion from the u.a.o unit. Zhongshu Huang explained to the public on the 26 of October that the members have left for an ambassador meeting in Manila.

October 27 2022

Day of the Runway organised by Zamaradi Jabulani , the runway starts at 10 am.
The Banquet floor is filled with all kinds of profiles , security spotted at entrances and uncovered profiles.

The cocktails are allowed from a higher service government order, no actions will be taken yet to not scare the crowd.

At 11 am the first collection starts, no security breach detected.
At 12 the second and third collection made their appearance

At 01 pm the first banquet break is allowed around the floor.
The u.a.o unit stands upstairs to have a view of the entire floor.

The second afternoon collections happen without any accident.

During the last collection at 18, u.a.o unit Bozal Domovoy has been poisoned by the “spring essence” who normally is not poisonous, so it was deliberately injected to kill him.

Bozal Domovoy vomits and passes out and dies within 25 minutes.

The council and managers immediately attempt to calm the growing tensions in the banquet room. Manager Kenshin Ao attempted murder on the u.a.o unit as they accessed the government unauthorized complex.

Civilians are evacuated from the banquet floor.

During the night of the 27, the u.a.o team entered the secret within walls complex where an operation room is revealed with what seems to be a modified human body in a bath with extraction syringes taking a orangish liquid out of the body.

The u.a.o unit makes this discovery while gun chased by manager Kenshin Ao.

October 28 2022

The chase keeps going all night long with shooting from both sides as reinforcement arrives. Manager Kenshin Ao is stopped by Zhongshu Huang himself and he stops the shooting by committing a homicide.

Zhongshu Huang stays close to the body in the tub.

The enforcement team arrives on the scene and cleans the remaining managers and council members who claim innocence. Zamaradi Jabulani has fled the scene while Leviante Esposito stays on the scene to keep all the managers and council members in check.

October 29 2022

The chase to find Zamaradi Jabulani is ongoing, he is on his way to Pyongyang, found by our Intel.
Zhongshu Huang takes the lead on finding order in the fashion industry continental and answers the interrogation of the remaining u.a.o unit.

October 30 2022

Interrogation of the manager Kenshin Ao and the twin assistants. The council reunites to discuss the course of actions and decide to banish Zamaradi Jabulani from the fashion industry continental.

November 03 2022

The council replaces Zamaradi Jabulani with Young-mi Jung the case of the spring essence is closed and censored for the public eye. Zhongshu Huang returns to his private complex and refuses to answer further u.a.o questions.

05 november 2022

the arrest of Zamaradi Jabulani. The same day , armed boats left all sides of the continents and communication by Morse was no legitimate proof due to the poisoning of our inner reporter Bozal Domovoy and the destruction of those proofs by what we assume is the last of Zamaradi Jabulani men.

18 November 2022,

Without much lead from the Fashion industry, the U.A.O unity is going directly on the field in North America to see where the shipment of armed ships might be going. Start of the RC n.248 file.
