Independent Press

Today is one sad day, Aya Katlego has left us.
On June 27 2021 , Aya Katlego has been murdered by a duo of undercover cop working as employees Earl and Rael El Bed have murdered Aya Katlego in her own office.
investigation reveals the knowledge of other employees of the noises of the shooting.
Her bank account was emptied and transferred to a law enforcement deputy, Hungan Bathla.

The money was transferred back to associations and charities like Aya Katlego would have wanted. Earl and Rael El Bed were arrested and have been sentenced to life prison. During their interrogation the criminals have defended that they were acting in favor of the law, insisting on the rumors of the Casino Casino al-kirkd being affiliated with terrorist organisations.
All affiliations have confirmed false yet the confirmation of the El Bed fraternity
A direct link with the government has been confirmed, while they deny the course of orders the El Bed has been sent.

The team of the Casino Al-Kirkd will need some time to mourn their old director.

Earl And Rael El Bed have been arrested under international law enforcement , where their case might be something bigger.
