Independent Press

the Nocturnal Gala takes place this year of 2022, on September 20. In Istanbul, designers assemble for the runway hosted by the Fashion Industry Continental.

the gala welcomes famous designers like Mika and Camille Croute, famous for their line " October morning" that mix heavy coats of warmth and the soft and wet silk techniques. We also find new comers such as Jean Martin, Aj K.L and Fatima Kreme.

For its 47 years the Nocturnal Gala is honorable in its values and ideas. Always giving a chance to newcomers and especially to students in international schools and exchange students. A chance to all is their slogan.

A question we must ask ourselves is where is Zamaradi Jabulani ? Zamaradi Jabulani is the biggest fashion designer of the entire Continental, yet no sign of him in the Nocturnal Gala. He has answered the multiple questions by explaining his next project :

"Rising Star"
