During the night of the 28 and the 29 of November 2022 . The terrible events has led to the death of Towa Stote.

Towa Stote was a pillar of social activism in the Arts and Culture section of the Kegare company.

His death has left many in sorrow and sadness . His many activities will be in people's heart.

On December 5th , May Monde makes a speech during one of the memorial walks in honor of Towa Stote.

" I would like to say, that I will terribly miss Towa. He was more than a co-worker, he was like a brother to me. A younger brother who never gave up on his hopes and dreams. But he was also a strong figure who inspired many. His death will leave a hole in the company, but mostly in our hearts.

But I know he would not want us to be so sad , Towa has lived by his convictions and ideas until the end. This is why the judiciary case against Edward Suraci will be lifted off.

I take full responsibility of the terrible event.

Hatred will not lift our spirit, we need to keep acting, we need to keep hoping.

Together, we are a force, thank you."
